| Output 1dB GCP           |              | 2 dBm  |            |               |                        |               |  |
| Input RF Power           |              | 16 dBm Absolute maximum  |            |               |                        |               |  |

|                                | Environmental  |  |  |  |
|--------------------------------|--|--|--|--|
| Operating temperature          | 0 to 50°C  |  |  |  |
| Location                       | Indoor use only  |  |  |  |
| Storage temperature            | -20°C to +75°C   |  |  |  |
| Humidity                       | 85% non-condensing   |  |  |  |
| Power                          |  |  |  |  |
| PSU Power                      | 85-264Vac 50-60Hz (Fused 2A)   |  |  |  |
| AC Consumption                 | <20W (At steady state)   |  |  |  |
| LNB Power                      | None   |  |  |  |
| PSU                            | Dual redundant PSUs with dual IEC inlets   |  |  |  |
|                                | System Control   |  |  |  |
| Display                        | Front panel Tri colour LEDs to indicate amplifier<br>and unit status, red LEDs to indicate PSU failure   |  |  |  |
|                                |  |  |  |  |
| Remote Control &<br>Monitoring | RJ45 Ethernet port 10/100 Base T. TCP/IP,<br>SNMP & Web browser access.  |  |  |  |
|                                |  |  |  |  |
| Monitoring                     | SNMP & Web browser access.<br>(Dry contact, change-over via 9w D-type) PSU1<br>& 2 Status, Full status & alarms also available via                                   |  |  |  |
| Monitoring                     | SNMP & Web browser access.<br>(Dry contact, change-over via 9w D-type) PSU1<br>& 2 Status, Full status & alarms also available via<br>Ethernet interface             |  |  |  |
| Monitoring<br>Alarms           | SNMP & Web browser access.<br>(Dry contact, change-over via 9w D-type) PSU1<br>& 2 Status, Full status & alarms also available via<br>Ethernet interface<br>Physical |  |  |  |

**Preliminary Specifications** 

Note 1: The specification is subject to regular reviews and will be updated from time to time as part of our continuing product development and improved spec accuracy. Note 2: Operation beyond the quoted limits stated above may cause instantaneous and permanent damage.
